

LOCAL NEWS.

DELEGATES TO THE CONVENTION.—The Delegates to the Baltimore Convention of Ratification to be held in Baltimore on Thursday next, May 2d, met according to notice, at Concert Hall, on Tuesday evening. The attendance was extraordinarily full, and the names of upwards of one hundred persons were handed in to be added to the list of delegates, which now numbers over five hundred, and which may with safety be set down as the number of the Washington Delegation that will be present on the occasion. Arrangements were made for the assembling of the body both here and in the city of Baltimore, as well as for the general comfort of the delegates while there. The proceedings of the meeting and the programme to be adopted by the Chief Marshal, Joseph H. Bradley, Esq., will be published in due time, as well as a complete list of the delegation. The right spirit is up on this subject, and the question, "Who is going to Baltimore?" is changed to "Who is not going?" The ladies, too, will be fully represented there, we have no doubt; for in the cause of the "gallant Harry" the ladies of Washington are never "weary in well doing."

THE GOOD THINGS OF LIFE.—Yesterday, about one o'clock, we received a call from our friend McGrath, of the Washington Coffee House, inviting us to partake of some of the most choice productions of the "briny sea," in the shape of oysters, terrapins, &c., that we have ever had the good fortune to have set before us; and to which, we assure him, we did full justice. He will please accept our acknowledgments for the compliment. Those attached to the F. R. S. &c., will now have an opportunity of obtaining them in perfection, for they undoubtedly have never been surpassed, if ever equalled, in Washington.

READ IT.—To be sick is no longer a misfortune, but a fault. Has any man a headache? Peters' Cordial Lozenges will cure him in a few minutes. Is any one troubled with a hacking cough, which may end in consumption? In Peters' Cough Lozenges he may find almost immediate relief. Worms kill many children. They can neither kill nor hurt a child who is physicked with Peters' Worm Lozenges. Hence we may well conclude that we began, that to be sick is no longer a misfortune, but a fault. TWENTY-EIGHTH CONGRESS,

FIRST SESSION.

WEDNESDAY, APRIL 24, 1844.
SENATE.

The following memorials were presented and referred:

Mr. UPHAM, from citizens of Vermont remonstrating against the annexation of Texas. Also, against any change in the tariff, from farmers, who say that before the present tariff was passed large quantities of agricultural products had accumulated on their hands, for which they could find no market, but as soon as this tariff was established, they found a ready sale for their articles.

Mr. BUCHANAN, two memorials from Pennsylvania, in favor of the present tariff.

Mr. TALLMADGE, three memorials against the annexation of Texas. Also, a large number of memorials from different parts of New York against any change in the present tariff.

Mr. CRITTENDEN, a memorial from Ohio, against the ratification of the treaty with Texas.

Mr. TAPPAN, from citizens of Bainbridge, Ohio, against the annexation of Texas.

Mr. WALKER, the proceedings of a self-styled mass democratic meeting in Philadelphia, in favor of the re-annexation of Texas.

Mr. FRANCIS presented the protest of the Legislature of Rhode Island against any interference by Congress with the internal concerns of that State, as without authority, and having a tendency to excite a spirit of discontent and insurrection. Mr. F. moved that the paper be laid on the table, and printed.

Mr. ALLEN wished to ask the Senator from Rhode Island whether it was his intention to call up this Protest for any action of the Senate?

Mr. FRANCIS. No, sir.

Mr. SEMPLE gave notice of a bill to establish an Armory at old Fort Massac, Ill.

POST OFFICE BILL.

Mr. MERRICK moved that the Senate proceed with the consideration of this bill. The pending question was on Mr. Archer's amendment, allowing members of Congress and delegates from territories to frank letters in the recess not exceeding 1-2 oz. each in weight. After a brief discussion, which was participated in by Messrs. BUCHANAN, MERRICK, and SEVIER, the question on the amendment was taken by yeas and nays, and the same was rejected by 26 to 17.

HOUSE OF REPRESENTATIVES.

The journal having been read, Messrs. KENNEDY and WHITE rose for the purpose of making personal explanations. At the same time, Mr. WELLER moved that the House resolve itself into Committee of the Whole to take up the tariff bill.

Mr. WHITE said he rose to a privileged question, and it was the first time in his life that he had ever taxed the attention of the House in the form in which he was about to do it. He commenced by asking the attention of reporters at both desks to what he should say.

The CHAIR here interposed to say that the proposed explanation could only be allowed by general consent.

"I object," said Mr. JOHN P. HALE, of New Hampshire.

Mr. WHITE urged the fact, that the privilege he demanded had never been denied.

The SPEAKER was aware of this, but he had stated, in the form always used by him, that it could only be allowed, without a suspension of the rules, by general consent.

Mr. WHITE did not intend, at all, to complain of the Speaker.

Mr. E. J. MORRIS moved a suspension of the rules, to allow explanations from Messrs. KENNEDY, of Ia., and WHITE, of Ky. The yeas and nays were ordered, and were, yeas 98, to yeas 64; so the rules were not suspended.

Mr. WELLER'S motion was renewed, and the House resolved itself into Committee of the Whole.

[Had Mr. White not been deprived of the privilege never before denied to a gentleman on the floor of the House, we learn that without relating a single incident which transpired between himself and Mr. Rathbun in the unfortunate rencontre on Tuesday, he intended to have pronounced the account given in the Globe of that transaction, and the language attributed to himself and the gentleman from New York, as false, totally and unqualifiedly false. We have heard it so pronounced by several persons who stood close by, saw the whole transaction, and heard every word that passed.]

Mr. HOPKINS having taken the Chair,

Mr. BRINKERHOFF then took the floor in defence of the "British" Tariff Bill. As a portion of his argument was based upon a memorial sent by a Locofoco Abolitionist, Joshua R. Leavitt, to the New York Legislature, it is fair to presume that his deductions were of no great consequence.

The next speaker was Mr. WETHERED, of Md., who commenced his remarks with an allusion to the speech of Mr. Owen, of Ia., lately a British subject, whose speech was entirely British in its character. Mr. W. thought if the gentleman and his speech had been landed together upon the shore of his nativity, he would have been restored to his allegiance. Mr. W. next examined the existing tariff, and contrasted it with the bill before the House. He thought if the committee who reported the latter had been better acquainted with the trade and manufactures of their country, they would have framed a very different bill. Those who asserted that the existing tariff had not brought about a reduction of prices, asserted what was not true; and this Mr. W. illustrated by exhibiting in contrast a great variety of samples of cloth of British and American manufacture.

Mr. W.'s speech excited great interest and attention, but was too nice, in many of its details, to admit of a report.

The floor was next assigned to Mr. KENNEDY, of Md. Mr. OWEN desired the privilege of it for a few minutes, which Mr. K. was willing to grant, provided the time occupied by Mr. O. was not deducted from his own. This, of course, could not be.

Mr. KENNEDY reviewed the bill before the House, and in a mingled strain of argument and ridicule, showed that it had been framed upon the most accommodating, Democratic, principles.

Mr. K. made one of his happiest efforts, and was listened to with apparent pleasure by all sides of the House. He was followed by

Mr. E. J. MORRIS, and the debate was continued until the House adjourned.

WHIG MASS MEETING.

THE CLAY CLUBS

Of Georgetown and Alexandria, and the Whigs generally of the District, and the adjoining counties of Maryland and Virginia, are respectfully and cordially invited to unite with the Clay Club of this city in a Mass Meeting, to be held at Carnes's Saloon, on Monday evening, the 29th instant.

The ladies will, it is hoped, honor the occasion with their presence. Their attendance is most respectfully requested, and for them seats will be reserved.

Delegates to the Conventions to meet in Baltimore upon the 1st and 2d of May, that may be in Washington upon the 29th instant, are especially invited to attend.

The Committee of Arrangements confidently expect to have it in their power to announce, from among the large number of delegates they presume will be in the city, the names of some of the most distinguished friends of the cause.

By order: J. H. BRADLEY, President.

JNO. T. TOWERS,
A. B. CLAXTON,
Secretaries.

THE TRUTH SOMETIMES NOT FOUND OUT UNTIL TOO LATE.

SUCH is often the case in regard to persons taking medicine. They are induced by plausible reasoning, false representation and doctrines, to employ medicines that, so far from being adapted to their disease or sickness, absolutely increase the symptoms, destroy the constitution, rack the whole system, and bring on a gradual decline, terminating in death; previous to the fatal termination, however, (but unfortunately too late,) the truth is found out that the pills, mixtures, &c. they have been taking were composed of the most powerful and dangerous ingredients, prepared too by persons knowing nothing of disease or the nature of the medicines they recommended, depending altogether upon the "general doctrine of such imposters," that their medicines will "kill or cure." Be advised, then, if you find it necessary to take some medicine for purifying the blood and cleansing the bowels, to take nothing but Dr. Leidy's justly and deservedly celebrated SARSAPARILLA BLOOD PILLS, the only pills containing Sarsaparilla in their composition—the safest and best as well as the most effectual that can be taken.

Old and young, at all times, without regard to weather, may take them without fear of taking cold, and without restraint from occupation or usual course of living. Upwards of 1,000 certificates have been published, various times, of their efficacy. More than 100,000 boxes have been sold in Philadelphia in twelve months. These facts go to prove their value, or so many never would be sold in so short a time, in a place where they are manufactured; this, however, arises in part from the fact that the manufacturer of them (Dr. Leidy) is well known at home as a regular physician and apothecary, knowing the true nature of diseases and of the medicines he recommends, attested by the most celebrated physicians, among whom are Dr. Nathaniel Chapman, Dr. Wm. Gibson, Dr. W. E. Horner, Dr. Samuel Jackson, Dr. Robert Hare, Dr. P. S. Physic, Dr. T. C. James, Dr. W. P. Dewees, Dr. J. Redman Coxe, Rev. W. H. Delancy, Robert Adrian, LL.D., &c. &c.

Orders for Dr. Leidy's BLOOD PILLS are daily received from the North, South, East, and West, and the most flattering accounts, from every direction, of their unparalleled success. A single box (25 cents) may save as many dollars, if taken in time, instead of the dangerous medicines now forced on the public, and by taking which persons so often find it necessary at last to take Dr. Leidy's Blood Pills, to counteract their injurious consequences.

They are prepared only, and sold Wholesale and Retail, at Dr. Leidy's Health Emporium, No. 191, North Second street, below Vine street, Philadelphia.

And by
ap 25—3m CHARLES STOTT,
Agent for the District.

IT CANNOT BE DENIED.
FOR truth is mighty, that Dr. Leidy's SARSAPARILLA is the purest, strongest, and most efficacious of any other preparation of Sarsaparilla that is made. It is warranted to be stronger than six bottles of most others, stronger than four of some, and stronger than three of the strongest prepared by any other in the United States.

Dr. Leidy's Sarsaparilla is recommended by all respectable physicians in preference to any other. All who have ever used it have derived more benefit from one bottle than three to ten of others; and those who, after having used other preparations without benefit, will use Dr. Leidy's, will soon be convinced (as thousands have already been) of the foregoing assertion.

The apparatus with which Dr. Leidy's extracts, used in his preparation of Sarsaparilla as prepared, is the only one in the United States, imported by Dr. Leidy himself, from the celebrated house of Pelletier & Caventou, in Paris, at a great expense, and is capable of extracting the medicinal virtues of Sarsaparilla and other roots more effectually than by any other process.

As several hundred certificates of remarkable cures, and recommendations from clergymen and physicians have been from time to time published in different papers, it is only thought necessary to keep the public acquainted as to where Dr. Leidy's Sarsaparilla can be obtained genuine, namely, at Dr. Leidy's Health Emporium, 191 North Second street, near Vine street, (sign of the Golden Eagle and Serpents), Fred. Brown's, James Bond's, and Fred. Klett's drug stores, Philadelphia, and at

It would be needless to enter into detail in regard to the merits of these pianos, as the manufacturers' names are a sufficient guaranty of their excellence, both in point of tone and durability, as I am authorized in saying that, in eighteen years' manufacturing, then has never been one piano returned as being defective.

Ladies and gentlemen in want of a superior piano, will do well to call at the Piano Wareroom before purchasing elsewhere.
